Fares are valid only if all flight coupons / sectors in the ticket are used in sequence. If you start your journey at any stopover or stopping place, Singapore Airlines will recompute the fares based on actual flight sequence flown and you will need to pay the fare difference, if any.

If payment was made with a mix of cash and KrisFlyer miles, you will only earn miles on the part of the fare that was paid with a credit / debit card. Full fare rules and KrisFlyer terms and conditions apply.

Your baggage allowance may vary for each flight based on the destination, cabin class or operating airline.

Cancellation and no-show fees will follow the more restrictive fare type. If you change more than one flight in the same transaction, only the higher change fee will be applied.
